

P6 HOME LEARNING GRID 20-04-20

LITERACY

Reading

Pick one of your favourite books to read for fun. You could read to or with someone in your family.

Or, try Audible free to listen to a new story:
<https://stories.audible.com/start-listen>

Spelling

Try playing the boggle style game WordTwist online:

<https://wordtwist.puzzlebaron.com/init4.php>
You have 2 minutes to find as many words as you can.

Writing

Write your own imaginary story. You can use the story starters sheet underneath this page.

You could use one of the story starters to help you begin a tale or mix them up to make your own.

NUMERACY

Revision

Select a numeracy revision sheet from below this page.

You can try the level you have worked on before or challenge yourself with higher level.

Try to answer as many questions as you can, remember to use working when you need to.

You could challenge someone at home to try some of the questions as well.

Sudoku

Try a game of Sudoku online:
<https://sudoku.com/>

You can set the difficulty level to suit you, as well as see a reminder of how to play, with hints and tips.

Floor Plan

You could create a floor plan of your home showing all the different rooms and furniture.

For an extra challenge you could add measurements of the rooms if you have access to a ruler or tape measure.

You could also design your own dream home floor plan. What rooms and features would you include?

HEALTH AND WELLBEING

PE

It is important to stay active and physically healthy

Try Some PE with Joe:

<https://www.youtube.com/user/thebodycoach1/featured>

In his video playlists he has daily workout videos. Alternatively, you could design your own fitness circuit using the skills we have practised in school.

Art

Creating art and drawing is a good way for us to relax and stay mentally healthy.

Try creating your own still life art.

Here is an example:

<https://www.nationalgalleries.org/art-and-artists/393/still-life>

Pick and setup a group of objects on a table. Without moving them try to look carefully at the shapes in front of you and try to sketch what you can see accurately and to scale. You could use pencils, pens, or paints to create your art.

Housework

It's important we all help out at home. Discuss a job you could do with or for your parent/carer.

Why not learn a new skill like helping to prepare food or drink; or teach another member of your family something you have mastered?

Story Starters

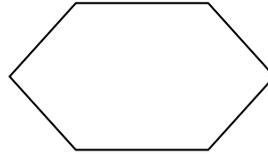

1. It was a wild, dark, stormy night ...
2. The old cottage looked deserted so Mary pushed the front door ...
3. Olivia was walking along the beach when she saw a beautiful green glass bottle that had been washed up on the shore. She bent down and picked it up. There was something inside it. Sal pulled out the cork to see what it was ...

6. The phone rang. "Hello," I said, "Hello." No one was there. I hung up. All the lights went out...
7. Closer and closer it came, it was getting bigger and bigger, soon it filled the sky above, was the moon falling?
8. Everything stopped, everything a statue all around me. Frozen in time.
9. Three of us. We were the only ones left, the only ones to make it to the island.
10. I hadn't seen the door before. It wasn't there last night. Cautiously, I turned the handle.

Revision Sheet 20 - First Level *

1. How many days are in 3 weeks?
2. Complete this sequence 100, 95, 90, ____, ____, 75, ____, ____.

3. Which is greater 87 or 78?

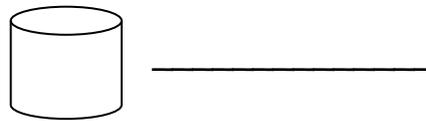

4. Colour in half of this shape?

5. What is a quarter of 12?

6. How much altogether $2p + 5p + 1p + 1p$?

7. What is the name of this shape?

8. Find $\frac{1}{2}$ of 20.

9. Complete the sequence: 19, ____, 13, 10, 7, ____, ____

10. Find the difference between 17 and 3?

11. What is the sum of $12 + 5 + 2 + 1$?

Fish and Chips	✓✓✓✓✓	✓✓✓✓✓	✓✓✓
Pizza	✓✓✓✓✓	✓✓✓✓✓	✓✓
Chicken curry	✓✓		
Mince and tatties	✓✓		

12. The table above shows what P4 had for tea. What was the most popular meal?

13. How many people had fish and chips for tea last night?

14. How many more people had pizza than mince and tatties?

15. How many children are in P4?

16. There are 22 children in P5. How many more are there in P4?

- Which meals were the least popular?

- 3 more children have chicken curry. Add ticks to show this.

17. How many children in P4 had fish and chips and pizza for tea?

18. Which is your favourite meal? Add a tick to show this.

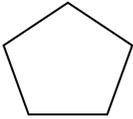

Revision Sheet 20 - First Level **

1. Sophie's shopping was £7.59 used one note and 5 coins to pay for it. List the notes and coins she used.
2. Add 60 and 37
3. Find one quarter of 28.
4. Fred's tennis match starts at 3.00pm and finishes at 3.45pm. How long does it last?
5. Subtract 40 from 66
6. $86 - 30 = 16 + \underline{\quad}$?
7. Sarah has new colouring pens. She has red, pink, blue, yellow & green ones and she has 4 of each colour. How many pens does she have altogether?
8. What number comes before 810?
9. Round 268 to the nearest 100 ,
10. What is the total of 54 and 10?
11. Find the difference in length, if one worm is 32cm and the other is 14cm
12. Put these numbers in order starting with the smallest 546, 221, 212, 465, 891, 918.
13. 553, , 573, 583, , ,
14. Double 16
15. $\frac{1}{3}$ of 24
16. Write the largest odd number you can, using the digits 7, 8 and 5.
17. 974. What is the value of the 9?
18. Write half past 8 on a digital clock.
19. What season comes after spring?

Revision Sheet 20 - First Level ***

1. Write in words: 849
2. Write in figures: one hundred and eleven
3. Fill in the missing numbers: 23, 27, __, 35, __, __, 47, __
4. Put these numbers in order starting with the smallest.
453, 430, 491, 941, 345, 419
5. Fill in the missing number to make the sum correct.
 $158 = \underline{\quad} + 50 + \underline{\quad}$
6. Which is longer - 40cm or $\frac{1}{2}$ metre?
7. $9 \times 3 = \underline{\quad}$
8. Each side of a square measures 7cm. What is the perimeter of the square?
9. $48 \div 3 = \underline{\quad}$
10. Round 98 to the nearest 10.
11. Find $\frac{1}{5}$ of 35
12. Find $\frac{3}{4}$ of 20.
13. What is 168 take-away 43?
14. James wants to buy a comic which costs £2.47. He only has £2 to spend. How much more money does he need to buy this comic?
15. If I stand facing North and make a quarter turn clockwise - in which direction will I be facing?
16. How many days are in December?
17. $179 + 21 =$
18. $810 \div 10 =$
19. Double 19
20. Find the difference between 745 and 13.

Revision Sheet 5 - Second Level *

- Using the digits 4, 8, 6, and 5, what is the smallest number you can make? Present your answer in words?
- There are 248 pupils in a school. They need to be put into 4 equal teams for sports day. How many children would be in each team?
- What value is the 6 in the number 385.6?
6 hundreds 6 tens 6 ones 6 tenths
- Round 285 to the nearest hundred.
- Order the numbers, starting with the smallest number. 5209, 5693, 5190, 5139
- Find $\frac{3}{4}$ of 60.
- A film starts at 19:45 and lasts for 2 hours 15 minutes. What time will the film end?
- Write the digital time for quarter past 9 in the morning.
- I have £10. I buy 4 cans of juice, each costing 55p and a hotdog, costing £3.25. How much change would I get?
- What is the perimeter of a square with sides of 4.5cm?
- Gemma's granddad is going to build a hut. The length of his hut is 4m and the width is 3m. What will be the area of his new hut?
- Write down the facts do you know about an obtuse angle?
- What do we call an angle that is 90 degrees?
- How many millimetres in 100cm?
- Write 3 facts about a cylinder
- What is this shape called?

- What is 0.25 as a fraction?
- $60 \times 10 =$
- Complete the sequence: 2.8, _____, 3.2, _____, _____, 3.8, _____
- $8 \times 6 =$ _____ $\times 4$

Revision Sheet 20 - Second Level **

1. Write in words: 903,712.
2. Write in figures: sixty nine thousand and nine.
3. Mentally, multiply 15 by 8.
4. Mentally, divide 6500 by 5.
5. Multiply 834.9 by 10.
6. Divide 94.3 by 10.
7. $823 + 250$
8. $853 - 620$
9. $\frac{5}{6}$ of £132
10. Find half of 9000.
11. I have £10. I spend £2.69. How much change?
12. Write 8% as a decimal.
13. $\frac{7}{8}$ of 48.
14. Write the equivalent fraction in sixths for $\frac{1}{2}$.
15. Write 67% as a decimal.
16. Write $\frac{81}{100}$ as a decimal.
17. Write $\frac{5}{10}$ as a decimal.
18. Write 0.03 as a fraction.
19. Write 0.8 as a fraction.
20. List the notes and coins to make £16.93 in the easiest way possible.

Revision sheet 20 Second Level ***

1. $6.5 + 8.4 + 11.9$
2. $18.0 - 3.6 - 2.9$
3. $637/700$
4. $996/30$
5. 38×400
6. 0.068×1000
7. $72/100$
8. $6/8$ of £16.64
9. 30% of 90
10. Jeans cost £56 to buy. There is a 20% sale on today. How much will they cost?
11. $55\text{g} = \text{_____ Kg?}$
12. $-20 + 7$
13. $-18 - 23$
14. Solve $7n - 4 = 59$
15. Order these from the smallest to the biggest: 0.77, $26/100$, 43%, $5/6$, 30%
16. What are the factors of 63?
17. Add together 5381 and 2764
18. Subtract 4327 from 4298
19. Draw a shape which has four lines of symmetry.
20. If a diameter of a circle measures 23cm, what would the radius measure?
