

ROSLIN PRIMARY SCHOOL

LEARNING AND GROWING

*to Achieve Success*

Hello to all the children of Roslin Primary School!

I hope you enjoyed reading the letter from your class teacher; they are missing you all so much. So am I! I miss visiting your classrooms, eating with you in the dinner hall and I also miss all of the wonderful work you bring to my office to share.

This is a very challenging time for us all, in different ways. I'm away from my family in Canada so I'm used to not seeing them in person. Thankfully, they are all healthy and doing well. I became an Auntie again since we've been away from school – my brother and his wife had their third child, a baby boy called Martin. We call him Party Marty! Mr. Berry's family live in Edinburgh and we are missing spending time with them, especially Eddie, he misses his Nana and Grandad. I'm missing giving big hugs to my friends as I'm sure you are.

At Roslin, we are so lucky to have such a wonderful staff who really look out for one another. It's like another family! We have all been chatting to each other and are happy when we get to see one another at the hub school when it is our turn 😊

Eddie is 18 months old now and for those of you with younger brothers and sisters, you'll know they are into everything at that age! He loves playing in the garden, reading books with me and he really loves Peppa Pig! Did you like Peppa when you were younger? Mr Berry and I work as a team to look after him, taking turns so we can each try to get our work done. It has been wonderful seeing Eddie learn some new words as well.

Some of you may have a parent or carer who is working as part of the NHS or as a key worker. A massive thank you to them and we appreciate what they are doing to keep us all going. We don't know yet when we will get to see each other, but when it does happen, I can't wait to see your faces and catch up properly 😊

Love, Mrs Berry
