

P4 Home Learning Grid 4

Literacy & Language		Numeracy & Maths		Learning Across the Curriculum	
<p>Watch 'Treasure Island' Episode 3 - 6 (links in document below). Answer the questions in this document (click on the link):</p> <p>http://tiny.cc/newspz</p> <p>*Additional resources will be available on Teams.</p>	<p>Use the image in this link http://tiny.cc/pnxspz</p> <p>As inspiration for some creative story writing.</p> 	<p>Play "Dotty Six" (we have played this in class already). Draw a 3x3 grid. Take turns to throw a dice, then draw that many dots in one of the boxes on the grid. You can't split them up and a box can't contain more than six dots. The person who completes a line of 3 sixes wins!</p>	<p>Design a treasure hunt for an adult or sibling, using directional language in your instructions (e.g. quarter turn, clockwise, anticlockwise, right turn, etc.)</p> <p>If you want a challenge, do it in french! - http://tiny.cc/9brupz</p>	<p>Develop your programming skills by having a go at the Scratch activity 'Animate a Name' https://bit.ly/2LhIDZN</p> <p>If you are new to Scratch, it's a good idea to do the beginner tutorial first https://bit.ly/35NoBj4</p>	<p>Learn some Treasure Island songs:</p> <p>"Skull & Crossbones" http://tiny.cc/jt6spz</p> <p>"Jim's Blues" http://tiny.cc/0v6spz</p>
<p>Whilst reading, keep a note of any tricky or unknown words. Make up your own dictionary explaining the meaning of these words, with pictures if possible.</p> 	<p>Use the spelling lists (link: http://tiny.cc/5a0spz and posted on Teams) to work out your scrabble score (link: http://tiny.cc/i9zspz) for each word in your list.</p> 	<p>Explore how to use division strategies in different ways by solving the "Let us Divide!" problems - link below:</p>  <p>https://nrich.maths.org/8308</p>	<p>On a digital clock showing 24-hour time, how many times in a day does the number 5 appear on the display? Is it the same amount for the same clock, showing 12-hour time? Try the same investigation with different numbers.</p> 	<p>Brush up on your road safety knowledge and do some online activities revising the green cross code: https://roadsafety.scot/learning-zone/first/</p> 	<p>Ask an adult to teach you a party dance routine, or learn them yourself on YouTube. Here are some suggestions:</p> <ul style="list-style-type: none"> ◆ Macarena ◆ Saturday Night ◆ Hucklebuck 

“Said is Dead”!

Said is a word that is often overused in writing. **Make a list** of at least 10 **synonyms** (words with similar meaning) that you can use instead. Try **putting them** into **sentences** or a **short piece of writing**.

Pretend to be **Jim Hawkins** in Treasure Island. **Write a postcard** to your **mother** back at the inn, telling her about **your adventures** so far.

Play some online games to consolidate your fractions knowledge:

<http://tiny.cc/f0vupz>
<http://tiny.cc/qnuupz>
<http://tiny.cc/sdvupz>

Make connections between **symmetry** and **pattern** the “**School Fair Necklaces**” investigation:

<https://nrich.maths.org/9692>

Play ‘**Escargot**’ - a **french playground game** similar to hopscotch.

Instructions here:
<http://tiny.cc/1fnupz>

Make a **home for nature** in your **garden** or nearby **outdoor space**. **Ideas and Instructions** here:

<http://tiny.cc/glnupz>
