29<sup>th</sup> April 2022

Dear Families,

## Book Donations to help us make Story Sacks

This term everyone from the ELC to P7 are going to be asked to create a Story Sack at home for our **Term 4 Home Learning Family Project**. We are looking for you to **donate any unwanted children's picture books** to the school so we can use them to create the Story Sacks. All information about the Story Sack Home Learning Project will be sent by Primary 5 soon. First we have to collect books so that all the children in the school can choose one from school to take home, if they wish, to be able to complete this project.

We would like you to donate any children's books you have at home that are no longer being used by **Friday 6<sup>th</sup> May 2022**. Please make sure the books you wish to donate are **in good condition and do not have missing pages or are damaged in a way that they cannot be read**. Also, please make sure that the books are suitable for primary aged children.

When you have decided what books you wish to donate please bring them to your class and we will collect them from there. Each class will be given a basket for the donated books to be put in while waiting on collection.

Please do not feel pressure to donate lots and lots of books or donate books that you want to keep. Only donate books that you know are gathering dust and will be much better served being used in school to help the children with their learning and help develop their enjoyment for reading.

Once we have collected all the donated books we will sort them into different age categories so when the children come to choose a book they will not be overwhelmed. As mentioned previously more details about the Story Sack Home Learning Project will be published soon.

Yours Sincerely

Primary 5
