

St Mary's Nursery News

March 2019

We are hoping to start visiting the library again very soon. We will need the support of parents and carers to enable us to provide this opportunity for the children. Staff would also like to start going for local walks within the community again and we need your support to do this. We recently asked parents to provide us with days and times that they were available to support us, but we got no response. If you can help please speak to a member of staff.

Children's Learning

Although it is still very cold outside the children have been spotting signs of Spring in the garden already. We have started to look at how things grow by planting flowers in the garden, growing cress seeds and beans in nursery. We will continue to look at new life throughout our Spring term.

Look out for some home learning activities - more information to follow.

Easter Activities

We will be having lots of Easter activities in the nursery from week beginning Monday 1st April. Parents will be invited to an Easter sing-a-long on Thursday 4th April, time still to be arranged.

Playdates/Consultations

Playdates for ante-preschool children will begin on Monday 1st April. Time slots will be put in hallway for parents to choose a suitable time.

Parents and carers are invited to stay and play in nursery for one hour and will have the opportunity to discuss their child's progress. We are hoping to provide more play and stay opportunities later this term with a curriculum focus.

Family Night

After the success of our family night in October, we are planning another evening on Wednesday 3rd April. More information to follow.

Nursery Fund
