

## MY HOME LEARNING TASKS – FIRST LEVEL

This term the whole school will be working on History themes. Here are some suggested activities you could complete with your child to support their learning and skills development – see overleaf for an overview of the skills we aim to develop at your child's CfE Level.

<p>Look at family photographs together – sort them into different generations. What is the oldest photograph you have?</p>	<p>Make a timeline of your life. What are the important events you want to remember?</p>	<p>Go for a History walk in your local area. Make a list of all of the old buildings and monuments you find. Which one is the oldest?</p>
<p>Complete a personal project about the theme you are working on at school. Use your local library to find out more information about it.</p>	<p>Plot family birthdays and events on a calendar. Learn the names and order of the months of the year, days of the week.</p>	<p>Visit a museum – most of them are free!! Museum of Childhood Mining Museum Dalkeith Museum National Museum of Scotland</p>
