

## MY HOME LEARNING TASKS – SECOND LEVEL

This term the whole school will be working on History themes. Here are some suggested activities you could complete with your child to support their learning and skills development – see overleaf for an overview of the skills we aim to develop at your child's CfE Level.

<p>Find out about significant people within your local community. Who are they? What was their contribution? Use your local library to find out more information about it.</p>	<p>Make a timeline of significant events in your local area. How far back can you go?</p>	<p>Go for a History walk in your local area. Create a map showing the main historical buildings and monuments in the area.</p>
<p>Complete a personal project about the theme you are working on at school. Use your local library to find out more information about it.</p>	<p>How has your local area changed? Compare maps of the local area as it has changed over the years. Interview older relatives about what their memories of the area are?</p>	<p>Visit a museum – most of them are free!!
