4TH November 2019

Dear Parents and Carers

**P1 INTAKE SESSION 2020/2021
ENROLMENT WEEK
18TH – 22ND November 2020**

I hope that you have by now, received a letter from Midlothian Council advising you of the catchment schools for your child who is due to start school next summer. We will be registering pupils during the week commencing **Monday 18TH November 2019**.

As St Mary's is one of your catchment schools I would like to invite you to come and visit the school during this week and to complete and return the registration form which is **included with this letter**.

Please bring along

- your child's birth certificate and/or passport,
- Baptism certificate if appropriate
- proof of your address eg Council Tax Bill or recent utility bill for gas, electricity or telephone bill landline, not mobile for us to photocopy.

I will be giving a short presentation about the school, including plans for our new school due to open in April 2020, on **Monday 18TH November at 9am and 1.30pm**. Please also visit our school website where you can view our School Improvement Plan, Standard and Quality Report, Inspection Reports and see our Twitter feed which gives you the most up to date picture of the children learning at St Mary's.

Please contact the school as soon as possible if you have any questions regarding the registration process. It is important to register your child at this time in order to request a place at St Mary's for August 2020.

If you wish to apply for a place outwith your catchment area, a Placing Request Form is required, please ask for the form when registering your child at your preferred catchment school.

I look forward to seeing you on **Monday 18TH November**. Please don't hesitate to contact the school if this time is unsuitable. Registration forms can also be handed in at the school office throughout Enrolment Week.

Yours sincerely
