

Home Learning Grids- P1 & P2

Each day, choose 1 literacy and 1 numeracy task and **either** 1 expressive arts/STEM challenge **OR** 1 challenge from the separate P.E. challenge grid (3 activities per day).

If you choose an expressive arts/STEM challenge on day 1, make sure you choose a P.E. challenge on day 2 or vice versa. Send pictures/videos of your completed task to your teacher on Seesaw if you can. If you are looking for additional things to keep you busy, attempt the extra challenges added to several tasks and see the list of additional activities below.

Grid A

Literacy	Numeracy	Expressive Arts/STEM
<p><u>Phonics - Learn to Read - Blending</u></p> <p>Play 'hunt the word' using words and sounds that your child has been learning in school. You can write these words on paper and hide them around our home. Once your child finds the word they need to blend the sounds to try and read it.</p>	<p><u>Sticky Note Number Match</u></p> <p>All you need is paper, pen and some sticky notes. Hide numbers around your home on sticky notes. Once your child finds a number they need to bring it back and stick it on to the matching dot pattern you have drawn on the piece of paper.</p> 	<p><u>Squeezy Bottle Rocket</u></p> <p>Make your own bottle rocket. Can you measure how far your rocket travels? Does the size of the bottle change anything?</p> <p>How to make a Squeezy Bottle Rocket (science-sparks.com)</p> 
<p><u>Safety in the Dark Poster</u></p> <p>During the Winter it is dark in the mornings and the evenings. Do you think you would be able to create a poster that help other children with ways that they can stay safe when it is dark (eg. Reflective clothing etc).</p>	<p><u>Patterns</u></p> <p>Help with the washing! Can you help match all the pairs of socks from the washing? Look and see if you can spot the patterns that are the same or things that are the same colour.</p>	<p><u>My Favourite Book</u></p> <p>I want you to think about your favourite book and see if you can create a new front cover for the book.</p> 

Literacy	Numeracy	Expressive Arts/Stem
<p><u>Fine Motor - Letter Formation</u></p> <p>After you have made the playdough from third column, you can use it to help practice your letter formation. Use your phonics knowledge and start to try and spell out some of the words you have been learning using the dough.</p> 	<p><u>Number Bonds</u></p> <p>Write numbers to 10 or 20 on pieces of paper and ask your child to show all the different ways they can make 10 or 20 by adding them together.</p> 	<p><u>Recyclable Art Work</u></p> <p>Can you use the recycling from your home to create a model?</p> <p>You can create any model you want and then paint it, colour it or design it in any you want.</p> 
<p><u>Phonics - Rhyming Words</u></p> <p>Play rhyming games. Say "Into the pot goes..." While pretending to place items in the pot (eg. Bat, cat, hat etc). Do this with your child and then see if they can do it independently.</p> <p>Challenge: Say a word that doesn't rhyme to see if your child spots it.</p> 	<p><u>Number Jigsaw</u></p> <p>Write numbers in order on a piece of paper and cut them out like a jigsaw. Your child can then use their number knowledge to put the jigsaw back together.</p> 	<p><u>Playdough</u></p> <p>You can follow the recipe below to make your own dough. You can use it for fine motor activities and for letter formation.</p> <ul style="list-style-type: none"> • 2 cups flour  • 2 cups warm water  • 1 cup salt  • 2 Tablespoons vegetable oil  • food coloring  • scented oils (optional)

Literacy	Numeracy	Expressive Arts/Stem
<p data-bbox="203 300 344 328"><u>Fine Motor</u></p> <p data-bbox="203 373 797 517">Follow the link and choose one of the playdough disco fine motor activities to warm up and then practice creating patterns, letters or shapes with your playdough.</p> <p data-bbox="203 560 815 588">https://www.youtube.com/watch?v=o9D5lfqZF3o</p> 	<p data-bbox="842 300 1111 328"><u>Information Handling</u></p> <p data-bbox="842 373 1417 475">Can you go on a search around your home and find some objects. This can be toys or clothes etc.</p> <p data-bbox="842 520 1406 622">Now I want you to think of ways you can sort these objects into groups (eg, Colour, shape, size).</p> 	<p data-bbox="1449 300 1594 328"><u>Collage Art</u></p> <p data-bbox="1449 373 1989 440">Draw the outline of a rainbow to help guide your collage picture.</p> <p data-bbox="1449 485 2013 552">Then use a magazine or pictures from around your home to create a rainbow collage</p>
