Our School Aims We believe that each of us can confidently:

- Be ambitious, imaginative and creative
- Make healthy choices to take care of ourselves, others, and our environment
- Seek new challenges to learn together to achieve our goals
- Explore, be involved in, and build up our community

Modelling attitudes and behaviour; thinking before we do or say something:

Is it true? Is it helpful? Is it inspiring? (build up?) Is it needed? Is it kind?" t-h-i-n-k

Nursery to P7

Welcome to our new school year!

We were delighted to welcome everyone this morning. How smart all our pupils looked in their school uniforms! – Thank you. We hope that all our families have enjoyed these past seven weeks of the summer.

Our Tynewater Staff Team last week and Mrs McCabe (Principal Teacher) and myself over several weeks have been busy preparing for Session 2019-2020. We are all very keen to work with you to progress the learning of all our pupils.

As always, please speak with me or your child's Teacher if you have any concerns, questions, feedback or suggestions, or simply need to talk through something. If you have an idea or can help with our pupils' learning, we are always happy to hear from you. Our school welcomes your approach to speak with us about any matter relating to your child(-ren), as we work with you each day to support your child(-ren)'s learning as much as possible.
