

**P5 Residential Study to Glasgow Science Centre
from 9.15 am on Tuesday 10 September to 3.20 pm on Thursday 12 September**

What pupils need to bring with them

- The Youth Hostel provides a duvet, duvet cover, mattress sheet, pillow and pillow case.

Please bring the absolute minimum – one small luggage bag that a pupil can very easily carry / wheel.

- **inhaler / medicine with written instructions signed by a parent / carer – to be given to Mr Woods on Tuesday 10 September at 8.45 am**
- **a small rucksack / day bag (schoolbag) to carry a packed lunch, water bottle and essentials (waterproof) on Tuesday 10 September and when ‘out and about’ each day.**
- **Please ensure that children come to school wearing their full school uniform – including school shoes. This should be worn each day when we are ‘out and about’ in Glasgow.** Casual clothes can be worn when we return to the Youth Hostel each afternoon.
- one hand towel and one bath towel
- one complete change of clothing: trousers, top, light jersey
- alternative shoes to school uniform shoes
- waterproof / hooded jacket
- underwear and socks
- soap, facecloth, shampoo, brush / comb
- tooth-brush and tooth-paste
- pyjamas
- paper-hankies, watch, a book to read
- a plastic bag for ‘dirty clothing’
- a torch (for going to the en-suite toilet during the night)

Pocket money (£5 maximum) should be given to Mr Woods first thing on Tuesday 10 September in a labelled purse, wallet or envelope.

The following can be brought but entirely at owner’s risk:

- mobile phone (at owner’s risk) to be given to Mr Woods who will issue them after our evening meal to allow pupils to make calls. Could parents/carers please wait for pupils to call them so as not to interrupt our activities.

Please – pupils should not bring:

- Gameboys or any electronic games
- **Any food / sweets whatsoever.** As you know, children’s attitudes to excellent and substantial paid-for dinner, supper, breakfast and packed lunch are much better if there is no fall-back on a take-your-own supply of sweets / snacks or use of any vending machine. – Fruit will be available during the day and hot chocolate / juice and biscuits at supertime. No one will go hungry.

David Woods *P6 Teacher*

Douglas Lawson *Head Teacher*
