

# Tynewater Primary School

a thinking, caring, learning community

## Information for Parents

Nursery to P7: email / copy per family

**Monday 25 May 2020**

**Our School Aims** We believe that each of us can confidently:

- Be ambitious, imaginative and creative
- Make healthy choices to take care of ourselves, others, and our environment
- Seek new challenges to learn together to achieve our goals
- Explore, be involved in, and build up our community

**Modelling attitudes and behaviour; thinking before we do or say something:**

Is it true? Is it helpful? Is it inspiring? (build up?) Is it needed? Is it kind?" t-h-i-n-k

## Message for Parents and Carers from the Scottish Government

As you may already be aware, following the publication of a route map document today which outlines the Scottish Government's planned future response to the COVID19 Pandemic – <https://www.gov.scot/publications/coronavirus-covid-19-framework-decision-making-scotlands-route-map-through-out-crisis/> the First Minister has announced, that the Scottish Government is currently planning for the reopening of Scottish schools on 11<sup>th</sup> August 2020.

This announcement is part of a wider planned route map on the reopening of schools and ELC (Early Learning Centre) settings which can be accessed here - <https://www.gov.scot/publications/excellent-equity-during-covid-19-pandemic-strategic-framework-reopening-schools-early-learning-childcare-provision-scotland/>

We understand that this will be an anxious and uncertain time for many people, including parents and carers. For that reason the Scottish Government have produced a Q&A document to support parents and carers at this time. This document covers some of the key questions that parents will have with regard to the safe reopening of schools and ELC settings. This information has been published on the Scottish Government's Parent Club website and can be accessed at – [www.parentclub.scot/easing-restrictions-in-scotland](http://www.parentclub.scot/easing-restrictions-in-scotland)
