

22 June 2021

Dear Parents and Carers

I would like to take this opportunity, just prior to the Summer holiday to extend on behalf of the Education service, our sincere gratitude for your on-going support during this academic year and collectively, by following Public Health guidance, has allowed for the majority of our schools to function near normally albeit with social distancing restrictions in place.

Through your parent councils, we have discussed and been challenged on a number of issues that affect our parental community and we will continue to strive to deliver the best outcome for each and every child within the Authority.

We further extend our best wishes to secondary pupils who will be receiving their qualification results during the holiday period.

On closing, we are aware that end of term arrangements out with school have been organised and we would respectfully request you to continue to remain cautious and follow current Public Health advice applicable to our local area, in order to contain the spread of the virus through the community and thereby offering the best possible protection to yourself and each other.

We trust you will have a lovely Summer break and look forward to welcoming all our children and young people back in the new academic year.

Yours sincerely

A handwritten signature in black ink that reads "Fiona Robertson". The signature is written in a cursive style and is positioned above the printed name and contact information.
