Our School Aims We believe that each of us can confidently:

- Be ambitious, imaginative and creative
- Make healthy choices to take care of ourselves, others, and our environment
- Seek new challenges to learn together to achieve our goals
- Explore, be involved in, and build up our community

Modelling attitudes and behaviour; thinking before we do or say something:

Is it true? Is it helpful? Is it inspiring? (build up?) Is it needed? Is it kind?" **t-h-i-n-k**

Dear Parent/Carer

Since coming back to the Early Years after the summer holidays many of the children have been showing an interest in the seashore. Therefore, we are planning an outing to Yellowcraigs beach on Tuesday 14th September to further develop this interest and explore the seashore. This will be an all-day outing, leaving at 10am and returning for 2.30pm.

The cost of the outing will be £3.63 for each child. The school have very kindly covered half the cost of the bus.

The children will be provided with a snack and lunch that day. We ask that they bring a bag with a change of clothes, a towel and sun cream (if you do not wish them to use the Early Years sun cream) in it.

Please complete and return the attached tear off slip by Friday 10th September.

Yours sincerely
