Our School Aims

We believe that each of us can confidently:

- Be ambitious, imaginative and creative
- Make healthy choices to take care of ourselves, others, and our environment
- Seek new challenges to learn together to achieve our goals
- Explore, be involved in, and build up our community

t-h-i-n-k

Modelling attitudes and behaviour; thinking before we do, say or write something – including social media:

- Is it true?
- Is it helpful?
- Is it inspiring? (Does it build up?)
- Is it needed?
- Is it kind?

If not, do not do, say or write it!

Dear Parents / Carers and Children,

Thank you so much for all your support as we welcome everyone to our new school year. We especially welcome our new Early Learners; our 27 Primary 1 learners and 4 new learners.

As per Fiona Robertson's letter, we are so pleased that children can now mix in the playground for break, and that we do not need to keep to groups or 'bubbles' within the school and Early Learning setting.

We shall issue information about our Autumn Term in due course.

As always, please contact me if you have any feedback, questions, suggestions, concerns, or simply need to talk through something. I am always happy to speak with you about any matter relating to your child(-ren). We can do this by telephone, via a video meeting, or meeting outside in person – weather-permitting.

Yours sincerely,

Douglas Lawson
