

Safety

The children have been thinking about various dangerous situations both inside and outside the home and how to respond appropriately.

Talk4Writing

The children have enjoyed retelling the story of Little Red Riding Hood!

They have designed story maps, created actions, changed characters and settings, used lots of adjectives and even written their own adapted versions of the story!

Problem Solving Skills

Teamwork makes the dream work! The children were challenged to create a bridge in their table groups using just playdough and pasta! It was trickier than we thought!

PE

The children have enjoyed learning various playground games with Miss Thorburn and Mr Watson!

The weather has been lovely and we have been enjoying playing them in the sunshine in the MUGA!
