

## Are you or is someone you know facing redundancy?

### Partnership Action for Continuing Employment

Partnership Action for Continuing Employment (PACE) is the Scottish Government's initiative dedicated to helping people and employers with advice and support when faced with redundancy.

Midlothian Council's PACE delivery worker is here to support people who are being made redundant or are at risk of being made redundant by providing:

- Skills development to reduce the time people are out of work.
- Advice and support to help people find work.
- Help & advice to access financial support.
- Access to learning and training opportunities.
