

I am very happily donating my collection of children's books to Tynewater PS Library. First I am protecting all the books to lengthen their use for many years, then I shall deliver the books to school.

20/2/2022

Dear Parents / Carers and Children,

Thank you for your kind words, cards and gifts on the occasion of my retirement on Friday 11 February. I shall cherish everything forever.

Please find attached my

'Retirement Poem' which I

presented and read to children and staff at my final Assembly.

I wish all the children,

young people, parents / carers, and staff every success and fulfilment as a thinking, caring, learning community.

Yours sincerely,

Douglas Lawson
