Is it true? Is it helpful? Is it inspiring? (build up?) Is it needed? Is it kind?" **t-h-i-n-k**

Dear Parents and Carers

The issue of road safety and traffic congestion has again been raised at the recent Parent Council meeting. Can I take this opportunity to remind parents/carers to please walk to/from school whenever possible? If driving to/from school is necessary, please park well away from the school building safely and considerably with respect to residents of the streets leading to the school and those walking to school, please do not leave your engine running. Please note that the parking spaces in Crichton Avenue (next to the school) are for the residents of the new houses.

Can I also remind you that dogs should not be brought into the school grounds including our car park, pavement areas, Reception area and Early Years play area, so that our entire school grounds are dog-free areas. Dogs should not be tied to any fence/post or left unsupervised.

Thank you for your cooperation in making Tynewater Primary School and its surroundings a safe area for our pupils.

Regards
