

Read&Write Free for Families

Please share the following with all parents/carers before the end of term:

You may be aware of the literacy toolbar Read&Write. We use this toolbar in school to support learning and it is installed on all pupil iPads and Chromebooks. Midlothian Council was part of a video case study on the positive impact of Read&Write. You can watch the videos and find out more [here](#). The very exciting news is that Midlothian has negotiated a world-first deal that means you can now download the Read&Write toolbar at home, on up to 5 devices for free! Please [use this link](#) to download. You will be asked for the school's postcode and then be given instructions on what to do next.

Have a look at this [feature tour](#) to see all the things Read&Write can do and ask your child to show you how they use Read&Write in school!
